Dear Scientific Programme Committee members,

Many thanks again for the valuable feedback you provided after our latest TC on 25 July. I have now assembled all your comments and would like to suggest that we set up a telephone conference on October 6th to review the input and to finalize the programme schedule. I'll provide a more detailed meeting agenda closer to the date, but may I ask to confirm your availabilities as soon as possible? The TC will start at 16:00 CET (10am EDT - 10pm AWST/SGT)

Kindest regards,

David De Pooter
